Dear [REDACTED]

With sincere regret, I must report that Navarro College is not able to offer you acceptance for the Spring 2015 term. Unfortunately, Navarro College is not accepting international students from countries with confirmed Ebola cases.

Although you may be disappointed, my personal wish is that you find fulfillment studying at another fine college.

Please find enclosed herein your original documents for your records.

Thank you for applying to Navarro College and we send our best wishes for a successful academic career.

Very truly yours,
